HUNT
EXPERIENCE

GETTING THERE

Starting Australian Truffle Traders, 243 Pozzi Road, Dingup • Ending at Hound & Hunter Fine Foods, 2 Chopping St, Manjimup

HUNT INFO

COME PREPARED!

Truffle hunts are an all weather event and take place on a farm. Please wear enclosed shoes and dress appropriately for the conditions.

WILL I GET TO PAT THE DOG?

Absolutely! The truffle dogs are the star of the show when it comes to our truffle hunts. They're also much loved family pets, so when the hunting is done they'd love a cuddle or selfie!

The truffle dogs are off-lead during the truffle hunt but please rest assured they are very friendly animals!

CAN I DIG UP THE TRUFFLE MYSELF?

Yes! Our truffle hunts are a hands on and immersive experience. We encourage all our guests to have a go.

CAN MY DOG JOIN IN?

Unfortunately no dogs/animals may be brought to the orchard by guest due to potential biosecurity risks and distraction. We ask they are left safely and secure in/near your vehicle .

We're thrilled to partner with the Booth family at Australian Truffle Traders, widely respected as one of Australia's most experienced truffle growing families and a founding partner of the WA Truffle Collective. Their life in truffles has taken them all over the world and into some of the world's best kitchens.

Gavin, Mel, son Brin and their team of truffle hunters and truffle dogs are known for offering one of Australia's best truffle hunting experiences. They've been featured in National Geographic, Delicious, Sunrise, The Australian, ABC, West Australian, Country Style, Women's Weekly and
